

Spiderbait, White Trash Superstar

Won't you
Show me what to do
'Coz I don't know my way Around
And you got the sound that
I need
To get me on my feet
So I think I'll pretend
To be
Something again that
You are
A white trash superstar
I'm never gonna be too far
Away
From you today so
Watch out
'Coz I don't have a doubt
That it's all working out
For me
And I can't remember
You say
I've only got half a brain
It's all I'll ever be
Yeah!
Tell me
Oh, what you want to be
So I can be it too
And then
Take it from you
In time
You'll have me on your mind
And I'll be doin' fine
Alone
Still I remember
You say:
I've only got half a brain
It's all I'll ever be
Yeah!
I'll see
If I'm not too busy
You can hang out with me
Again
But I don't know when
I'll try
To be your kinda guy
But I don't have the time
Today
Maybe tomorrow
I say:
You only need half a brain!
The other half's a pain
Because you'll never need it again!
Yeah!
