

Spin 360, All These Things And More

Who is this king that's clothed in majesty?
Who is this savior come to set me free?
Who is this God that's so in love with me,
That He would come to die for me?

Oh I am overwhelmed

He is the beautiful one, God's own son
Mighty to save in love
He is the great I Am
Son of Man, holy and so pure
You are all these things and more
Its who You are

Who is this one that paints the sky above?
Who knows my heart and still returns His love?
So overwhelmed that He's in love with me,
He calls me one of His redeemed

Overwhelming, God unchanging
Lord that's who You are
Love unending, uncomprehending
Lord that's who You are
