

# Spin 360, Burn For You

There's a stirring in my heart, unexplainable  
There's a calling on my days, undeniable  
There's a fire in my bones, uncontainable  
And it's causing me to burn  
It's causing me to burn  
It's causing me to burn for You  
I'll go anywhere  
I'll do anything  
At any cost for You my King  
There's a passion in my heart, for the world to see  
Revival fires burning, great awakening  
There's a raging fire inside this soul of mine  
To the ends of the earth  
To the ends of the earth  
To the farthest part  
Till every heart has heard
