

Spin 360, Here Am I, Send Me

Lord here am I, won't You send me to
The broken and the weak
To the desperate and forgotten Lord
I'm giving You everything
All my selfish plans, my greedy hands
My hope in the American dream
Lord I give my life, lay down my pride
I'm giving You everything, God,

Here am I send me, I'll follow wherever You lead
I will tell the world that Jesus is the way
Won't You send me Lord, here I am
I offer my dreams, my plans
I will give my life a living sacrifice, Lord, here I am

I can see You Lord upon Your throne
You're high and You're lifted up
All the angels singing, Holy, holy, I'm broken and undone
Now an angel comes to touch my lips
Says, Your sins are all taken away,
Jesus paid the price, yeah He gave His life
So Father hear Your people say

Whom shall I send? Who will go for us?
Whom shall I send?
