

# Spin 360, This Is My Story

At just the right time when I was powerless  
You paid the ransom for my stains  
Through faith I'm justified  
and by Your grace I'm found  
No longer bound by heavy chains

This is my story, this is my song  
This is the theme I'll carry everywhere I go  
You are my Savior, You are my God  
You are the Sovereign Maker,  
always in control

I will rejoice in You  
because I've been set free  
My filthy rags have been washed clean  
I now am raised to live in newness  
through Your blood  
And live with You eternally
