

Spin Aqua, Malibu

Crash and burn
All the stars explode tonight
Hod you get so desperate
Howd you stay alive
Help me please
Burn the sorrow from your eyes
Oh, come on be alive again
Dont lay down and die

Hey, hey
You know what to do
Oh, baby, drive away to Malibu

Get well soon
Please dont go any higher
How are you so burnt when
Youre barely on fire
Cry to the angels
Im gonna rescue you
Im gonna set you free tonight, baby
Pour over me

Hey, hey
Were all watching you
Oh, baby, fly away to Malibu
Cry to the angels
And let them swallow you
Go and part the sea, yeah, in Malibu

And the sun goes down
I watch you slip away
And the sun goes down
I walk into the waves
And I knew love would tear you apart
Oh and I knew the darkest secret of your heart

I'm gonna follow you
Oh baby, fly away, yeah
To Malibu
Oceans of angels, oceans of stars
Down by the sea is where you drown your scars

I can't be near you
The light just radiates
I can't be near you
The light just radiates
