

# Spin Aqua, Malibu

Crash and burn  
All the stars explode tonight  
How do you get so desperate  
How do you stay alive  
Help me please  
Burn the sorrow from your eyes  
Oh, come on be alive again  
Don't lay down and die

Hey, hey  
You know what to do  
Oh, baby, drive away to Malibu

Get well soon  
Please don't go any higher  
How are you so burnt when  
You're barely on fire  
Cry to the angels  
I'm gonna rescue you  
I'm gonna set you free tonight, baby  
Pour over me

Hey, hey  
We're all watching you  
Oh, baby, fly away to Malibu  
Cry to the angels  
And let them swallow you  
Go and part the sea, yeah, in Malibu

And the sun goes down  
I watch you slip away  
And the sun goes down  
I walk into the waves  
And I knew love would tear you apart  
Oh and I knew the darkest secret of your heart

I'm gonna follow you  
Oh baby, fly away, yeah  
To Malibu  
Oceans of angels, oceans of stars  
Down by the sea is where you drown your scars

I can't be near you  
The light just radiates  
I can't be near you  
The light just radiates
