

# Spin Doctors, Yo Mama's A Pajama

CHORUS:

Yo mama's a pajama and she ain't no good  
Yo mama's a pajama and she ain't got no friends  
Yo mama's a pajama and she ain't no good  
Yo mama's a pajama and she ain't got no friends  
I once knew a girl with a funky doo-wop  
Spent all her money just to look like a mop.  
Yo mama's a pajama and she ain't no good  
Yo mama's a pajama and she ain't got no friends  
Yo mama's a pajama,  
Yo mama's a llama  
Yo mama's a pajama  
I love myself, I think I'm grand.  
I like to sit and hold my hand  
When I grow up I'll marry me,  
And somehow form a little family

CHORUS

Yo mama's a pajama,  
Yo mama's a llama  
Yo mama's a pajama  
Yo ma, Yo pa, yo greasy grandma,  
She got a big behind like frankenstein,  
She go beep beep beep down Sesame Street.

CHORUS

Yo mama's a pajama,  
Yo mama's a llama  
Yo mama's a pajama  
Ain't she sweet;  
She get on down the street (x4)

CHORUS

I once knew a girl with a funky doo-wop  
She spent all her money just to look like a mop.

CHORUS

I ask you very con-fidenti-al-ly
