Spin Doctors, Yo Mama's A Pajama

CHORUS:

Yo mama's a pajama and she ain't no good Yo mama's a pajama and she ain't got no friends Yo mama's a pajama and she ain't no good Yo mama's a pajama and she ain't got no friends I once knew a girl with a funky doo-wop Spent all her money just to look like a mop. Yo mama's a pajama and she ain't no good Yo mama's a pajama and she ain't got no friends Yo mama's a pajama,

Yo mama's a llama Yo mama's a pajama

I love myself, I think I'm grand. I like to sit and hold my hand When I grow up I'll marry me, And somehow form a little family **CHORUS**

Yo mama's a pajama, Yo mama's a llama

Yo mama's a pajama

Yo ma, Yo pa, yo greasy grandma, She got a big behind like frankenstein, She go beep beep down Sesame Street.

CHORUS Yo mama's a pajama, Yo mama's a llama Yo mama's a pajama

Ain't she sweet;

She get on down the street (x4) **CHORUS**

I once knew a girl with a funky doo-wop

She spent all her money just to look like a mop. **CHORUS**

I ask you very con-fidenti-al-ly
