

# Spineshank, Forgotten

You're the one who, you're the one who steals, the life from.  
I'm the one who feels, the fallen.

I believe you're nothing but a problem.  
Everything is so vague.  
You're just a mother fuckin' sight to see and time will block the vision.  
Life with you is so vague, it's like I'm living in a dream.

Chorus: I have wondered why this always happens.  
Everything just falls away.  
Soon you'll be the one who is forgotten.  
It's so close, but it's so far away.

You're the one who.  
You're the disbelief.  
I watch you.  
Thought you could achieve, or try to.  
Once I thought this life was never ending.  
Must have been my mistake.  
You're just a mother fucking accidental venting and abusing.  
I should've known that you and your intentions were for bad

Chorus: I have wondered why this always happens.  
Everything just falls away.  
Soon you'll be the one who is forgotten.  
It's so close, but it's so far away.

You're the one who fed the violence.  
I'm the one who broke the silence.  
I will sew the whole you left inside me.  
Leaving you in the past, I will relieve.

Chorus x2: I have wondered why this always happens.  
Everything just falls away.  
Soon you'll be the one who is forgotten.  
It's so close, but it's so far away.

It's so close but it's so far away.
