

# Spinfire, Lettin' It Be

Before that there was you  
there was nothing at all.  
You became my extasy and my alcohol.  
But now you've gone away, taken my whole life too  
I never thought that I'd recover from you

Pre Chorus:  
Looking back, all I see is you  
and I don't know what to do.  
Looking ahead I see nothing  
and I don't know what, I don't know what to do

Chorus:  
I'll let it be, I'll let it be  
I'll let it be when you're wasting my mind tonight  
I'll let it be, I'll let it be  
I'll let it be when you're wasting my mind tonight

And after you were gone so was all of my fun  
I had no hopes and dreams, nowhere to run  
But now I'm better now, better than ever  
I never thought that I'd recover from you

Pre Chorus

Chorus

yea yea yea you're wasting my mind  
don't know what to do, don't know what to do

Chorus  
yea yea yea you're wasting my mind  
don't know what to do, don't know what to do

DON'T KNOW WHAT TO DO!
