

Spirit, I Got A Line On You

Let me take you baby
Down to the river bed
Got to tell you somethin
Go right to your head

Cause I, I got a line
I got a line on you, babe
I, I got a line on you
I got a line on you

Gotta put your arms around me
With every bit of your love
If you know what to do
I'll make love to you
Cause you got the right line to make it through these times

Cause I, I got a line
I got a line on you, babe
I, I got a line on you
I got a line on you

You know my winter's almost over
My summer, she's comin' on strong
I can love you, love you, love you
Love you all year long

Cause I, I got a line
I got a line on you, babe
I, I got a line on you
I got a line on you

I got a line on you babe
