Spirit Of The West, Enough, Already Alright (Hello

Don't smell like beer, no smoke in here In a clean glass case, lie the artifacts of the famous face That's Elvis Presley - that does distress me Looks nothing like him, more like Chris Spedding who wrote "Motorbikin"

Hey, everythings not okay 'Cause nobody ever gets laid In a glorifed Hard Rock Cafe Oh and, hey, everything's not okay

I'll tell you what, what I don't think I'll be writing home about a piece of the wall made out of styrofoam

Hey so this is Rock'n'Roll Hey, Disco, Funk and Soul Hey, you airbrush the moles Punkrock, Slits and Buzzcocks

Hey, everythings not okay 'Cause nobody ever got laid In a glorifed Hard Rock Cafe

Enough, already alright (alright)
With the uptight and the so polite
Where's the pleasure, where's the pain
Where's the scandal, where's the shame
Enough, already alright (alright)
With the uptight and the so polite
You've got no bark and no bite
