

# Spiritfall, Together

What is this?  
I'm blind walking through this desert  
I'm blowing in the wind  
And i'm lost  
I can't find my way  
I'm incapable of holding onto the day  
Stand past  
Well it's too late to grasp my mind  
And see what i'm missing

Chorus:

When I try to run away  
You were help me in every way  
You're the one that holds my life together

What is this?  
I'm feeling ashamed  
Of the life that I live  
In the dark, I can feel your light  
I see clearly now  
I'm away from the life  
Let's dream you have helped me grasp  
What's right  
And see what i'm missing

(Chorus)

Come in turn in I cried  
Now were with you  
You are the one that got me through  
Well i'm better now and it's over, it's over...

What is this?  
I have found my way through the darkness to be  
With you  
To be with you

(Chorus)
