

# Spiritualized, Ladies And Gentlemen We Are Floa

All I want in life's a little bit of love  
To take the pain away  
Getting strong today  
A giant step each day  
Wise men say  
Only fools rush in  
Only fools rush in  
But I, I can't help  
I can't help falling  
falling in love with you

I will love you till I die  
And I will love you all the time  
So please put your sweet hand in mine  
And float in space and drift in time

All my time until I die,  
We'll float in space just you and I  
And I will love you till I die  
And I will love you all the time  
So please put your sweet hand in mine  
We'll float in space just you and I

Wise men say  
Only fools rush in  
But I can't help  
Falling in love with you
