

Spirogyra, Defender Of The Faith

Bonnie Prince Charlie, our liege
We owe allegiance
Defender of the Faith
Pipers are calling
Onto the field of battle
Meet the redcoat foe

Our cause is just
To seek the crown
Who'll stand between our rightful heir
By the grace of God
We stand or fall
Across the land we'll meet the call

I'm a man with no future
With no past and no time
And I live for the war,
Lord I live for the war
I won't be back no more
