

Spirogyra, Jerusalem

Days at ease with no telephone
Uncle Moustache on the coffee machine
I found a way into Jerusalem
I found a way into Jerusalem

Never been religious
Never been that way at all
But man you look beyond the city wall
I found a way into Jerusalem
I found a way into Jerusalem

I walked with Juicy to the Old Bazaar
Through the back streets
To the Mosque of Saint Omar
I found a way into Jerusalem
I found a way into Jerusalem
I found a way into Jerusalem

Heard a lot about the men who died
Now I understand the reason why they cried
I found a way into Jerusalem
I found a way into Jerusalem
I found a way into Jerusalem
I found a way into Jerusalem
