

Spirogyra, Sing It Simple

You lost your sense of rhythm
you said good-bye to the song
so long, so long.

You lost your sense of beauty
you said goodbye to the light
hello night - come on!

Shedoobeedoob - no melody
Shedoobeedoob - no rhythm
Shedoobeedoob - no music at all

And Sing it simple
And Sing it sad
And Sing it gentle
And Sing it glad

Shedoobeedoob - no melody
Shedoobeedoob - no rhythm
Shedoobeedoob - no music at all

You lost your sense of rhythm
you said good-bye to the song
so long, so long.

You lost your sense of beauty
you said goodbye to the light
hello night - come on!

And Sing it simple
And Sing it sad
And Sing it gentle
And Sing it glad
