

# Spitalfield, Novocaine

Dream a picture of how you see me, yeah  
Pinch yourself and I'm there  
Mouth the words to the song you hear  
Listen closely, my dear  
It's like we're almost there

Just a pinch of novocaine  
If you won't be  
The one to ease my pain  
Just say my name  
Sweet, sweet novocaine

Put your faith in a show  
Everyone is waiting for you there  
I can hardly see anything  
Catch the world by its tongue  
Few more words and I'll be done, yeah  
But will I ever really be?

Just a pinch of novocaine  
If you won't be  
The one to ease my pain  
Just say my name  
Sweet, sweet novocaine

Wake me, take me anywhere  
That I don't have to be  
You don't have to say my name  
I don't have to be me

Just a pinch of novocaine  
If you won't be  
The one to ease my pain  
Just say my name  
Sweet, sweet novocaine  
If you won't be  
The one to ease my pain  
Just say my name  
Sweet, sweet novocaine

Call the extras to the set  
And turn the lights up, oh oh oh oh  
Aren't we finished yet?  
I'm finished

Call the extras to the set  
And turn the lights up, oh oh oh oh  
Aren't we finished yet?  
I'm finished
