

# Spitvalves, Skaboobidibobidiska

livin by the way of the school  
but definitely the old  
livin in and representin o-town  
so yo i'm never cold  
30's and vogues on this ride  
you know you've never seen  
rollin on 13's  
i'm a man with supremes

skaboobidibobidibibidibobidiska  
i'll keep on skankin  
all the way until dawn  
keep on movin  
no no don't ever stop  
you better move them feet boy  
pick it up

no more love for this heartbreaker  
no way  
no more confusion no no  
just simply parlay  
i loved once  
and it i'll be my last  
no more confusion  
simply dreams of the past

all the sucker mc's  
who try and break it down  
if you step to this  
you'll be laughed at like a clown  
all them true fans  
thanks for comin to see us  
all the sucker mc's  
i'll melt you down like montequias

why i need the glock  
when i got the clock  
tellin me the time  
when i gotta rhyme  
when i got the show  
i gotta go  
always sittin low  
never feenin for the high  
or sky no lie  
why do we lie  
it's all good  
because those that do  
at least most of them know  
what there gettin in too  
cause i don't need it  
but i've never done it  
cause yo i don't know  
why they love it  
why i need to show  
the flow  
that i ain't got  
it don't make me a man  
just a target spot  
for the sucker  
but the sucker is me  
now my shit is all gone  
i should've gave to charity  
i should've kept the treasure buried  
then they wouldn't of scared me

or shared me  
with a fight  
what  
i thought it lasted all night  
two minutes short  
a sport  
out a sight
