

Splashdown, Trophy Hunter

Luscious blaze
East of Eden bein' indiscreet
Reckless play
Oh please just let me go my way
Precious flame
I picked the fruit of Casanova's tree
Till I'm pass
Another medal in the trophy case

Heedless but wide awake
Hey, heartbreak was pre-ordained
I know what I'm doing, yeah
Though you lead me to ruin, yeah
Gladly go astray
In this game that two can play

Go away
Find yourself another guilty girl
To finger-shake
It's not your business anyway
Yes I crave
Casanova like a cigarette
Post-exchange
I gotta quit but honey not today

Precious game
Casanova moved to Babylon
Yesterday
I always knew that I would get my way
Precious flame
I picked the fruit of Casanova's tree
Now he's pass
Another medal in my trophy case
