

Spleen United, In Peak Fitness Condition

In peak fitness condition

You keep having this vision of you on a roll
In peak fitness condition and control
You keep fighting indifference it gets harder to go
As bleak desperate decisions take hold

You keep having this vision of you on a roll
In peak fitness condition and control
You keep having this vision of you on your own
In peak fitness condition in a decade of sun
You keep fighting indifference it gets harder to go
With bleak desperate decisions in peak fitness
