

Splendor, Rocker

Splendor - Rocker

She was off her rocker
ha ha ha, ha ha ha
People wants to lock her up
ha ha ha, ha ha ha

How can she ever say die
Just as soon, spin in their eyes

She was off her tocker
ha ha ha, ha ha ha
And she couldn't cuffed up
ha ha ha, ha ha ha

How can she ever say die
Just as soon, spin in their eyes

She's got an answer
She just can't give it to you
She's got an answer
But she doesn't have a clue

ha ha ha, ha ha ha
ha ha ha, ha ha ha
ha ha ha, ha ha ha

How can she ever say die
Just as soon, spin in their eyes
How can she ever say die
Just as soon, spin in their eyes
