

# Split Enz, Dirty Creature

Dirty Creature come my way from the bottom of a big black lake  
Shuffles up to my window making sure I'm awake  
S'probably gonna pick my brain  
Got me in a vice-like grip  
He said one slip, your dead. Ha.

Dirty Creature of habit, Little horror here to stay  
Anyone in his right mind would tell it to go away  
But the river of dread runs deep, full of unspeakable things  
The creature don't mess around  
I don't wanna mess with him

I don't wanna sail, I don't wanna sail  
I don't wanna, I don't wanna sail tonight  
Dirty Creature's got me at a disadvantage from the inside.

Tentacles on the brain keep me from falling asleep  
I'm rooted to the spot, The beast don't know when to stop  
Sneaking up from behind, Binds and gags my wits  
Dirty Creature got my head exactly where he wants it

I don't wanna sail, I don't wanna sail,  
I don't wanna, I don't wanna sail tonight,  
Taniwha is waiting for me just below the surface so bright  
(Yeah-eah-eah-eah)  
Even as we speak the Dirty Creature springs a nasty surprise.

Dirty Creature knows my type found it in a magazine  
He's seen the look of fear before splattered all over the screen  
The animal magnet thug draws me out of myself  
I need a dragon-slayer who can save me from myself

I don't wanna sail, I don't wanna sail,  
I don't wanna set sail for the middle of nowhere tonight  
Dirty Creature's got me at a disadvantage from the inside  
(Yeah-eah-eah-eah-eah)  
I don't wanna sail upon the waters of invention tonight
