

# Split Enz, For You (P Judd, T Finn) 3:50

We're outside the times  
Seen the break of day  
My parents beat me cos I laughed  
or something like that  
For nights on end  
You've been my friend  
I've turned the lights on just for you  
For you, for you, just for you

Blueboys on the stage  
yes he's quite the rage  
His parents loved his blue eyes  
He knows where it's at  
People think he's queer  
But to be quite fair  
You know he does it just for you  
For you, for you, just for you

You laugh so easily, but I can see what's it like to be  
They kicked your eyes in at four  
when they shut the door  
Playing out masquerade  
Even soldiers on parade  
The game they play is just for you  
For you, for you, just for you

Took me by surprise, left me standing there  
The cold winds blew while you watched Fred Astaire  
He was dancing all alone, up the stairs  
dancing all alone, up the stairs

Took me by surprise, left me standing there  
The cold winds blew while you watched Fred Astaire  
He was dancing all alone, up the stairs  
dancing all alone, up the stairs

We're outside the times  
Seen the break of day  
My parents beat me cos I laughed  
They must of done it just for me  
Just for me  
ooh just for me.
