

# Split Enz, I Hope I Never

fall apart when you're around  
When you're here, I'm nowhere  
I can't pretend that I'm not down  
I show it I know it  
I've been a fool - more than once, more than twice  
I'm gonna move to a new town where the people are nice

I hope I never, I hope I never have to sigh again  
I hope I never, I hope I never have to cry again  
I still want to beam and smile yah  
Happiness is back in style yeah  
I hope I never, I hope I never have to see you again  
Again, oh oh oh oh

It should be possible I know  
To see you without stress  
But I can see I'll have to go  
I'm changing my address  
My urge to cry I have failed to conceal  
Life - it's no fun when your hunted by the things that you feel

I hope I never, I hope I never have to sigh again  
I hope I never, I hope I never have to cry again  
I'm for living while you can  
I'm an optimistic man  
I hope I never, I hope I never have to see you again  
Again, oh oh oh oh...

I hope I never  
I hope I never  
I hope I never, never, never...

I hope I never, I hope I never have to see you again

Again.

Thank you!  
Nice one Timmy
