

# Split Enz, I Hope I Never (T Finn) 4:33

I fall apart when your around

When you're here, I'm nowhere

I can't pretend that I'm not down

I show it, I know it

I've been a fool - more than once, more than twice

I'm gonna move to a new town where the people are nice

I hope I never, I hope I never have to sigh again

I hope I never, I hope I never have to cry again

I still want to beam and smile yah

Happiness is back in style yeah

I hope I never, I hope I never have to see you again

Again, oh oh oh oh

It should be possible I know

To see you without stress

But I can see I'll have to go

I'm changing my address

My urge to cry I have failed to conceal

Life - it's no fun when your hunted by the things that you feel

I hope I never, I hope I never have to cry again

I hope I never, I hope I never have to sigh again

I'm for living while you can

I'm an optimistic man

I hope I never, I hope I never have to see you again

Again, oh oh oh oh...

I hope I never.. I hope I never..

I hope I never, never, never, never...

I hope I never..

I hope I never have to see you again
