

# Split Enz, Message To My Girl

(N Finn) - Conflicting Emotions

□=====

I don't want to say I love you  
That would give away too much  
Hip to be detached and precious  
The only thing you feel is vicious

I don't wanna say I want you  
Even though I want you so much  
It's wrapped up in conversation  
Whispered in a hush  
Though I'm frightened by the word  
Think it's time that it was heard

No more empty self-possession  
Vision swept under the mat  
It's no new years resolution  
It's more than that

Now I wake up happy  
Warm in a lovers embrace  
No one else can touch us  
While we're in this place  
So I sing it to the world  
Simple message to my girl

No more empty self-possession  
Vision swept under the mat  
It's no new years resolution  
It's more than that

No there's nothing quite as real  
As a touch of your sweet hand  
I can't spend the rest of my life  
Buried in the sand.

oh every night, I hear you call my name  
I want to sleep in my dark zen room [???)  
oh I have a mind to express my pain [???)  
But I won't get back in your tomb

no I care, why I care, why you go now [???)  
and every night sings the same song, same song  
i feel it coming in my sleep [???)  
...i don't want to say...  
...i don't want to say!!...

i can't spend the rest of my life buried in the sand...

[Tim:] We can hear you, we want to get down

Get down with you. ow ow!  
Yeah-hah, yeah-hah, yeah yeah. yeah-hah, yeah-hah, yeah yeah  
I'm going down to the woolshed baby, got my gumboots  
I'm going down to the tractor baby, send it out  
and... [???

Saturday night  
Eddie Rayner, Eddie Rayner I'm calling for, Eddie Rayner, Eddie Rayner  
got the tractor out of the cowshed [???
