

# Split Enz, One Step Ahead (N Finn)

One step ahead of you  
stay in motion, keep an open mind  
Love is a race won by two  
Your emotion, my solitude  
If I stop I could lose my head  
So I'm losing you instead  
Either way I'm confused  
You slow me down, what can I do?  
There's one particular way I have to choose

One step ahead of you  
Always someone makes it hard to move  
She says, Boy I want you to stay  
But I save it all for another day  
If I stop I could lose my head  
But I'm ready for romance  
Either way I'm confused  
I don't know what I'm s'posed to do  
I can only stay  
One step ahead of you

Da,da,da,da,da  
Da,da,da,da  
Da,da,da,da  
Da,da,da,dum

Stop, I confess sometimes  
I don't know where I'm going  
Part of me stays with you,  
I'm slowing down, what can I do  
It's hard to stay one step ahead of you  
(Uh huh)

One step ahead of you  
Time is running out  
Catching up with you  
One step ahead of you  
When I hold you close  
Can I really lose?  
One step ahead  
Only one step ahead  
She's one step ahead of you
