

# Split Enz, Spellbound

Chances are, it's not that far to go  
Chances are, there's not that much to know  
When you're spellbound  
When you're spellbound, once again

Chances are, things are going to change  
Chances are, you'll be the one who's strange  
When you're spellbound, once again  
When you're spellbound, once again

I know it's hard to believe but it's true  
But I could never have done it without you

The way things are, we'll get there in the end  
The way things are, you won't have to pretend  
That we're all spellbound, once again  
That we're all spellbound, once again

I know it's hard to believe but it's true  
But I could never of done it without you...
