

# Split Enz, Stuff And Nonsense (T Finn) 4:23

Disobey my own decisions, I deserve all your suspicion

First it's yes and then it's no, I dilly dally down to duo

But I got no secrets that I babble in my sleep,

I won't make promises to you that I can't keep

And you know that I love you here and now, not forever

I can give you the present, I don't know 'bout the future,

that's all stuff and nonsense

I once lived for the future, every day was one day closer

Greener on the other side, this I believed before I met you

I soon learned your love burned brighter than the stars in my eyes

Now I know how and when I know where and why

And you know that I love you here and now, not forever

I can give you the present, I don't know 'bout the future,

that's all stuff and nonsense
