

Spock's Beard, Hurt

Tension build in the center ring
It's all agreed
Can only mean

It's gonna hurt
Hurt
Gonna hurt
Hurt

See the girls walkin' down the street
I can tell
Where this'll lead

It's gonna hurt
Hurt
Gonna hurt
Hurt

Love is nice
When you're feelin' good
All the same
It's understood

It's gonna hurt
Hurt
Gonna hurt
Hurt

People ask me how I got so mean
Comes from years

Of being hurt
Hurt
Of being hurt
Hurt
