## Spock's Beard, Hurt

Tension build in the center ring It's all agreed Can only mean

It's gonna hurt Hurt Gonna hurt Hurt

See the girls walkin' down the street I can tell Where this'll lead

It's gonna hurt Hurt Gonna hurt Hurt

Love is nice When you're feelin' good All the same It's understood

It's gonna hurt Hurt Gonna hurt Hurt

People ask me how I got so mean Comes from years

Of being hurt Hurt Of being hurt Hurt
