Spock's Beard, The Light

What
Makes a dream
So very different
From any other dream
Where is that
Straight line
That I can hold up
To the light
And say no!
This is not right
This does not
Stand up
In the light
</lyrics>

== II: One Man ==

<lyrics&qt; Call me cavanaugh I'm the one with the caveman jaw Call me Smitty or Jones Talkin' on the TVs and the telephones I am the critical masses Stand back and watch as time passes I am the centerfold I know the stories before they get told You can call me Kennedy You may have killed him but you cannot kill me I am the crippled and blind I paint the pretty pictures on the subway signs Yeah, I am everything to everyone And I won't go away at the point of a gun All of this in one man I am rock 'n roll I am classical, country and soul I am the nun and the flasher I am the father, the son and the bastard I am the church and the steeple Open the door and see all the people All of this in one man </lyrics>

== III: Garden People ==

<lyrics> I'm coming down People's garden Garden people People's garden Garden people </lyrics>

== IV: Looking Straight Into The Light ==

<lyrics> Look! There's a light Headed for the sun Stand and you might Turn to everyone The lady, the lass Melt into glass Looking straight into the light Stand at the door That would not open wide
You tried so hard before
But now we're on your side
You see us all - the left and the right
Looking straight into the light
You see us all - the left and the right
Looking straight into the light
Looking straight into the light
Looking straight into the light!

In the light </lyrics>

== V: The Man In The Mountain ==

<lyrics> I am the man in mountain I stand alone - I've been downed In a sea of loveless illusion So many lost - so many drowned

Got no church - got no steeple Got no time for you people I live the life of a shadow The only chance that I have now Is there In the light

They wore all kinds of things on their heads to disguise That they'd rather be unfettered than be wealthy and wise And they listened as their enemies made a similar sound And they watched a million cars go by They were gaining some ground But they didn't know what to do With this thing they had found So they had a party!? </lyrics>

== VI: Seor Valasco's Mystic Voodoo Love Dance ==

<lyrics>
I am seor Valasco
I drink my milk with tabasco
Got no place to stand
Got no home, no land, but I
Don't ever want to die
Don't place no one before I
I am the mask and the chamber
I know of love not of danger
Got no place to go
Ain't nothin' better than be here
Don't ever want to die
Don't place no one before I

Don't ever want to die Don't place no one before I </lyrics>

== VII: The Return Of The Horrible Catfish Man ==

<lyrics> I am the catfish man! I can't hear you! Go ahead and have a nice day now Go ahead and say what you say now I stand humanis erectus Stand back... ha... ha... ha! I am... I am

All of this in one man </lyrics>

== VIII: The Dream ==

<lyrics>
What
Makes a dream
So very different
From any other dream
Where is that
Straight line
That I can hold up
To the light and say yes!
This is alright
This one will
Stand up
In the
Light
