

# Spoiled & Zego, More & More

Wherever you go  
Whatever you know  
Bring it to me, baby  
I just want more and more

Wherever you go  
Whatever you know  
Bring it to me, baby  
I just want more and more

I just want more and more

Wherever you go  
Whatever you know  
Just bring it to me, baby  
I just want more and more

I just want more and more

Bring it to me, baby

I just want more and more

Bring it to me

I just want more and more

I just want more and more

Bring it to me, baby

Wherever you go  
Whatever you know  
Bring it to me, baby  
I just want more and more

Wherever you go  
Bring it to me
