

Sponge, Pennywheels

you know
what it feels like
to be naked
to be ground by
giant pennywheels

i dream
no one, yeah there's
no one that can't hear
all the sounds like
giant pennywheels

i dream
shiny copper crushing me
i watch the wheels
roll in your eyes
pick one up i think it's
juck
i'm ready and i'm willing
i'll subscribe

i'm naked and i'm wasted
i'm naked and i'm wasted

you know
what it feels like
to be naked
to be ground
