

# Spooky Tooth, Evil Woman

Woman, when I saw you comin'&#039;  
Should&#039;ve started runnin'&#039;  
Evil woman

Woman! I offered to you my soul  
You ran it over hot coals  
You evil woman!

Woman, thought you were a blessin'&#039;  
Then I caught you messin'&#039;  
Evil woman

Woman! You ain't got no feelin'&#039;  
You&#039;re just a dirty dealin'&#039;  
Yeah!

Evil woman, the Lord&#039;s gonna&#039; rack up  
Evil woman, the Lord&#039;s gonna&#039; beckon you  
Evil woman, can&#039;t you see where you&#039;re fallin'&#039;  
Evil woman, the devil is a-callin'&#039;  
Evil woman, the Lord&#039;s gonna&#039; rack up  
Evil woman, the Lord&#039;s gonna&#039; beckon you  
Evil woman, can&#039;t you see where you&#039;re fallin'&#039;  
Evil woman, the devil is a-callin'&#039; you

Woman, when you whisper to me  
All the hurt you do me  
Evil woman

Woman! The way you want your way  
Gettin'&#039; under my skin  
You evil woman!

Woman, when you laugh at my pain  
When you step on my brain, yeah!  
Evil woman

Woman! If there were other choices  
How I didn't hear the voices  
Cryin'&#039;

Evil woman, the Lord&#039;s gonna&#039; rack up  
Evil woman, the Lord&#039;s gonna&#039; beckon you  
Evil woman, can&#039;t you see where you&#039;re fallin'&#039;
