## Spoon, Advance Cassette

Getting caught's made me think it over and it told me that you're never coming back here again we've been doing things the same way for so long that it took me aback and i don't think ill ever hear that sad song again don't tell me ive lost you advance cassette i just can't believe it no don't say that ive lost you advance cassette i just can't believe it you'll know by the look on their faces when they pass you you've been dropped off on the texas highway ive been out here now for so long that im not sure how you wound me so tight im afraid i won't ever hear that sad song again so don't tell me ive lost you advance cassette oh no i just can't believe in it no don't say that ive lost you advance cassette i just can't believe it
