

Spoon, Harris & Obernik, Baditude

Rock it over to me
From LA to Miami
From the LDN to Paris
Cherchez la Baditude
Work it up on the floor
From the Ibiza to New York
Wanna be my plus on the door
Ill get back to you
I do Baditude, like gravity
And if it works for you
Go get it down with me
I get physical on the chemicals
Im all for love and love is all
Cmon walk the walk
Shake it to the bone
A little hot to hold
I better take control
Whats wrong with you?
Whats a girl to do?
Im doing all the work
For your Baditude
Rock it over to me
From LA to Miami
From the LDN to Paris
Cherchez la Baditude
Work it up on the floor
From the Ibiza to New York
Wanna be my plus on the door
Ill get back to you
DJ do it again
from Boujis to DC10
Tokyo back to The End
Viva la Baditude
Work it down to the shore
Saint Tropez cross to Rio
Champagne dont ever get boring
Aint that the truth
I do Baditude, like gravity
