Spoon, Stay Don't Go

Keep believing the things that you tell yourself everyone needs something they can tell themselves to hold on to cause after all of its said and done

confession is stay dont go ooh it is ooh now stay dont go

at times you find that the truth is the best way out sometimes telling the truth is the best way out and its the wrong words that make you prick up your ears when later alone

confession is stay dont go ooh it is ooh now stay dont go
