

# Spoons, Annita

I found your card  
It had all the right holes in the right places  
I took it home with me  
It tore it itself into a thousand pieces  
I threw them all away

And that was you  
Next day, next day you didnt show up for work  
They went down  
And checked out your place  
They found your cat without a word to say  
And the landlady had long passed away

Hey  
Annita Annit-Annit-Annita  
Annita youre very nice girl  
Annita Annit-Annit-Annita  
Anni-Annita in a flickering world  
But Annita  
Youve made some changes

I found your card again  
But some of the holes had moved to  
Different places  
They cleared your office out  
Next day, no car, no home, no name, no place, no traces  
And the card tore itself up today

Hey  
Annita Annit-Annit-Annita  
Annita youre very nice girl  
Annita Annit-Annit-Annita  
Anni-Annita in a flickering world  
Annita Annit-Annit-Annita  
Annita are we following soon  
Annita Annit-Annit-Annita  
Anni-Annita in a flickering world  
Cause Annita  
Youve made some changes
