

Spoons, Be Alone Tonight

The feeling hits me like an old train
On its final run
A fire burning pulling it along
To somewhere that's far away
Everybody else is
With somebody

I wanna be alone tonight
It doesn't make much sense
But I wanna be alone tonight
To think of nothing else
I wanna be alone tonight
Don't expect you to understand
I wanna be alone tonight

People walking on the sidewalk
Like in some old film
I wanna shut it, shut the movie off
So I can turn the dial to you
Face it!
Everybody else is
With somebody

I wanna be alone tonight
It doesn't make much sense
But I wanna be alone tonight
To think of nothing else
I wanna be alone tonight
Don't expect you to understand
I don't want to be with you

I just wanna be alone tonight
It doesn't make much sense
But I wanna be alone tonight
To think of nothing else
I wanna be alone tonight
Don't expect you to understand
To think of nothing else
