Spoons, Be Alone Tonight

The feeling hits me like an old train On its final run A fires burning pulling it along To somewhere thats far away Everybody else is With somebody

I wanna be alone tonight
It doesnt make much sense
But I wanna be alone tonight
To think of nothing else
I wanna be alone tonight
Dont expect you to understand
I wanna be alone tonight

People walking on the sidewalk Like in some old film I wanna shut it, shut the movie off So I can turn the dial to you Face it! Everybody else is With somebody

I wanna be alone tonight
It doesnt make much sense
But I wanna be alone tonight
To think of nothing else
I wanna be alone tonight
Dont expect you to understand
I dont want to be with you

I just wanna be alone tonight
It doesnt make much sense
But I wanna be alone tonight
To think of nothing else
I wanna be alone tonight
Dont expect you to understand
To think of nothing else
