

Spoons, Dropped Dishes

If you break a plate or a cup or any dish
You'll get two bumps on your head from the cook
And he will call the boss
And then you'll be sorry you ever got this job
Oh Oh Oh Oh Oh Oh Oh Oh

He sees her
Dropped dishes
The menu looks
Delicious

It will all be a very nice time for one of you two
There'll be lots of dinners and dancing and fun
Behind his lady's back
And then a few months from now the telephone will ring
Ring Ring
Oh Oh Oh Oh Oh Oh Oh Oh
It's the missus

He sees her
Dropped dishes
The menu looks
Delicious
The waitresses are
Suspicious
They've all been
Dropped Dishes
