

Spoons, Waiting For The Kid To Come Out

Lounge

Waiting for the kid to come

And I'm finding out what this
is about, yeah
Waiting for the kid to come
out
Let it be

And the tradition, your dash

Here at the 'lectric
Lounge
(outside between the
bands)
No one's afraid to laugh
And you get just what you come
to expect
You can stick a lot up your ass
cause for me it's just
Waiting for the kid to come
out
Waiting for the kid to come
out
And I'm finding out what this
is about
And I'm waiting for the kid to
come out
Let it be
