

Sprung Monkey, Unexpected

Woke up with the sleep in my eyes
Turned around to a big surprise
Layin there next to me
Was the ugliest girl that i had ever seen
So i ran to the bathroom
And i dropped down on my knees
Well i screamed to god oh what have i done
As i washed myself in listerine and thought...

Everything's gonna be alright
Everything's gonna be alright
Everything's gonna be alright
As long as you believe in something
As long as you believe that
Something really good is gonna happen to you
It'll probably come when you least it expect it (so unexpected)
Something really good is surely coming your way
It'll probably come when you least expect it
Yeah so unexpected

I realized i was late for work
So i grabbed my shoes and left my shirt
Slipped out with a sound
Never looking back i never turned around
As i was rolling down the freeway
When up popped my favourite song
So i lit myself a cigarette
And i'll be damned if i didn't sing along
And thought...

Everything's gonna be alright
Everything's gonna be alright
Everything's gonna be alright
As long as you believe in something
As long as you believe that
Something really good is gonna happen to you
It'll probably come when you least it expect it (so unexpected)
Something really good is surely coming your way
It'll probably come when you least expect it
Yeah so unexpected

Life can bring you down
Creep up without a sound
Yeah life can bring you down... sometimes
Yeah life can bring you down
Roll it up and pass it around
Cuz life can bring you down... sometimes

Everything's gonna be alright
Everything's gonna be alright
Everything's gonna be alright
As long as you believe in something
As long as you believe that
Something really good is gonna happen to you
It'll probably come when you least it expect it (so unexpected)
Something really good is surely coming your way
It'll probably come when you least expect it
Yeah so unexpected
