

Sponge, Get Along

What is wrong with kids today, oh, all you wanna do is play
And all you wanna do is get along
Helping people across the road and doing what the hell you're told
Oh tell me what the hell is going on?

What ever happened to the way it used to be
Where all you wanted was anarchy
Where rules were only made to get 'em wrong
I don't know, maybe I'm bold, I don't like doing what I'm told
I don't really want to get along

I'm not saying it's bad , just that some things make me sad
When I think of them as dead and gone
People try and live too fast, just one life make it last

There's no need to rush to get along

I enjoy things I've got, even when they're not a lot
Main goal in my life is have a laugh
I don't know, even though I'm older
Still don't like doing what I'm told
I don't really wanna get along

I'm just here to have fun, not to dictate anyone
I don't really wanna get along
Maybe my view's out of date, I don't care, ain't life great
I don't really wanna get along
