

Squad Five-O, We Are The Youth

well you're my sister, and you're my brother
united together through God our father
no division can separate us
directed toward a goal by He who did create us
we get together and fight! fight! fight! fight!
all the evil that surrounds us
we'll never lose, because
we are the youth - we'll keep on fighting
we are the youth - we know what's right
we are the youth - God is our father
we're gonna live for Him until the day we die!
we're standing firm, believing in His word
we wait for His return
there's a promise, that He gave us
the evils of this world, can never separate us
we get together and fight! fight! fight! fight!
all the evil that surrounds us
we'll never lose, because
we are the youth - we'll keep on fighting
we are the youth - we know what's right
we are the youth - God is our father
we're gonna live for Him until the day we die!
we'll keep on fighting till the day we die!
