You make-believe celebrities
Taking bows in front of me
In your dickey-bow ties
In your dickey-bow ties
Pick your nose beside the stage
Jesus Christ has come of age
So you've had a good cry
So you've had a good cry

Reach out there's people in the stalls A Blackpool season isn't very small Reading commercials on TV Is just as good as a bad Page 3 review

We all know it's so hard for you Revue We all know it's so hard for you

In the dressing room you find Telegrams with good luck lines So nice to be known So nice to be known

The curtain falls so that's the end You hit the bottle once again So you've had a good crowd So you're one of the crowd

Reach out there's people in the stalls A Blackpool season isn't very small Reading commercials on TV Is just as good as a bad Page 3 review

We all know it's so hard for you Revue We all know it's so hard for you Revue We all know it's so hard for you Revue We all know it's so hard for you
