Squeeze, Slightly Drunk

Slightly drunk once again
All alone with my pen
I thought I'd write to you
How can I say how I feel ?
Falling down on a deal
This last night with you
Is it the cold that makes me shake?
I just hope that I'm awake
I say alright I knew
(I knew)

CHORUS:
I was wrong you were right
(That's a line I cannot find)
I could not say goodbye
(to explain just why I lied)
Why's it always feel the same?
(slightly drunk what you said to me)
I'm in love once again
(can't fall in love without misery)

I'm pretty sad but so what?
I should be glad but I'm not
I'm confused once more
All tangled up in your love
Without it now so that's tough
My heart cries for

A little talk to anger me
Out on the road especially
Back to you once more
(once more)

CHORUS

Slightly drunk once again
All alone without friends
Had it all, I know I lied
All my ends seem untied
I cannot say how I feel
